CLASSES

Juniors

Wow! Here we are--upperclassmen at last. Our first thrilling job was the selection of our class rings and believe it or not, we agreed! Everyone kept himself busy with English, book-keeping, typing, or what not. (There were many what not sessions.) Next came the plans for county government day which all enjoyed. Then came time for junior play tryouts which brought out some hidden talent. After several weeks of practice we were able to present what we thought was one of the best junior plays yet. Other events keeping us busy throughout the year were decorations for the football banquet, ball games, the very important Junior-Senior banquet and baccalaureate which made us realize that we had only one more year at H.H.S. With these experiences behind us we look forward to our senior year.

At last we are sophomores, still not upperclassmen, but no longer the bottom rung of the ladder.

Everyone manages to keep busy with our five classes a day. We are all acquainting ourselves with the past of this merry old world with Mr. Brown in world history. Mr. Woolstrum is trying to keep us interested in finding the "x" factor in algebra, while some of us get sick on those worms in biology. Mr. Reitz is struggling with us in English, and believe it or not some still "Ain't talkin' right." Some of us are learning to drive in drivers education while others of us are trying to learn to supply the world's food supply in agriculture.

No sophomore would be content to study all the time, however, so we have the usual class parties, and a further vent to our energy is the usual athletic events, the girls screaming themselves hoarse in the cheering section, while the boys are out there giving it everything they have to bring home a victory for dear old H.H.S.

Freshmen

In youthful inexperience, the FRESHMAN CLASS can be compared to the source of a river, ever eager to be on its way.

The freshman finds new classes and different ways to study. Future Farmers are on their way to learn much about the big world of agriculture and shop, while Future Homemakers acquire the necessary skills of cooking and sewing.

The freshman never tires, so he is a part of hikes, picnics and other group recreation.

We freshmen are in activities, that range from singing to playing basketball. These activities create a true family spirit wherein new friends, new interests, and new horizons become stepping stones to the formation of good character.

BAND

This year the Holbrook band took two important trips. On October 10, they journeyed to Kearney, Nebraska for the Homecoming festivities of the Kearney State Teachers College, and on October 17, they were asked to take part in the annual Band Day at Lincoln, Nebraska where we participated in the half-time entertainment along with many other bands.

Other band activities during the year were the three band concerts during the months of November, February, and May, the S.F.C. Band Clinic here at Holbrook, March 21, the S.W.B. Music Clinic at Lebanon, Nebraska, April 1, and Contest at McCook, Nebraska on April 23.

The band also performed during the half-times of several of our home football games.

HOMECOMING

In spite of bad weather, Holbrook went ahead with their plans for their Homecoming, Friday night, October 30, 1959. They played the Eustis Tigers and won the game with the score of 46-6. Because of the bad weather, the crowning ceremony of the King and Queen were done at the dance after the game.

The gym was decorated with streamers and balloons, and punch and cupcakes were served as refreshments.

SENIOR PLAY

This year the senior class, having such a small number of girls had to borrow from the junior class three of their girls to help in the senior play. They are: Wyoma Niemeier, who played "Shadow," Lillian Mock, who played "Susan," and Judy Kirkpatrick, who played "Mrs. King." We want to thank these three junior girls for helping to make our senior play a success, and also thanks to the junior boys, who helped greatly with the making of the sets.

JUNIOR-

SENIOR

PROM

The theme for the Jr.-Sr. banquet, held on May 5, 1960, was "Treasure Island." The gym was decorated with blue, aqua, and white streamers and sea gulls hung from the ceiling. At one end of the gym was "Treasure Island," and at the other end was a ship, through which the guests entered into the banquet room.

The servers, which were Dianne Hays, Mack Backhaus, Kathy Barnett, and Earl Ledford, were dressed as pirates, with the boys having black patches over one eye.

The meal which was prepared by the juniors' mothers, consisted of Swiss Steak, mashed potatoes, and gravy, Harvard beets, tossed salad, hot rolls, ice cream and cake, and tea or coffee. Many comments were overheard that this meal was one of the best they'd ever eaten.

The program, which consisted of numbers taken from the production of "South Pacific," was very entertaining, as it was put on entirely by the junior class, except for a duet in which Bill Mollring and Ronnie Tietze participated.

After the banquet the floor was cleared and the prom was held.

This banquet, which was the last for the seniors, will always be a memorable one to each of them.
